

Parents in Partnership

Year 4:

Date set: 6.12.19 Date due in: 11.12.19

NOTICES

- Thank you to everyone who made it to the Brass Concert. Weren't they brilliant? I am so proud of how much they have learnt.
- We had fun at the Pavilion looking at all the lovely costumes.
- Please could we have any offcuts of fabric/shiny sequins/buttons etc. that you may have for our costume designs.

This is what we have been learning this week.

Maths	English	RE	Science
We have continued our work on multiplication by learning about factors and multiplying 3 numbers.	We have read some list poems this week and recognized the similes and adjectives.	We have learnt about the Jesse Tree and how it shows the ancestors of Jesus.	Following on from our work last week, we made pipes out of straws. They made different sounds depending on their length.

Homework tasks will be set on Friday and will be due in on the following Wednesday.

Homework Tasks.

Task 1:

Work these out.

$$1 \times 2 \times 3 =$$

$$3 \times 4 \times 5 =$$

$$5 \times 6 \times 7 =$$

$$7 \times 8 \times 9 =$$

Challenge: choose 3 single digit numbers and multiply them together.

Task 2:

When you read or as you listen to people talking or on TV programmes or in films, see how many examples of similes you can find.

Record them in your book.

My child's response to the tasks.
