

Parents in Partnership

Year 2

Date set: 30.11.2018 Date due: 206.1.2018

This week we have been practising our Nativity and I am pleased to see that many of the children have learnt some of their lines already. Thank you for the costumes so far!

This week in English we have continued working on the genre of poetry and have written our own list poems using poetic devices such as repetition and creating a magical atmosphere!

In maths we have carried with our work on division and have looked at strategies for solving division word problems as well as looking at the link with multiplication.

In R.E. we continued with our unit of work on the Eucharist. We thought of lots of different questions to ask the Year 3 children who have begun their journey to their first Holy Communion.
