SCIENCE SKILLS FOCUS:

LIVING THINGS AND THEIR HABITATS

- Explore and compare the differences between things that are living, dead, and things that have never been alive.
- Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals.

Geography

- Name and locate the world's seven continents and five oceans in the context of Africa.
- Use world maps and atlases to identify Africa.
- To devise simple maps.
- To understand geographical similarities and differences between the UK and Africa.
- To use basic geographical vocabulary to refer to key physical and human features in Africa.
- To use simple compass directions.

Physical Education

TOPIC CONTEXT: *Gymnastics/Problem solving*

PHYSICAL EDUCATION SKILLS FOCUS

- Master basic movements and develop agility and co-ordination, and begin to apply these in a range of activities.
- Develop flexibility, strength, technique, control and balance in gymnastics.

Music

To be planned and taught by Mrs Ayles.

Modern Foreign Languages

NOT TAUGHT IN KS1.

Religious Education

UNIT: CREATION

Recognise and retell stories that show God has called people, has set them a task/ mission to protect His Creation and through this they have been shown mercy. People responded in different ways to the Word of God. Talk about their own experiences and feelings of knowing that God loves them. Ask and respond to questions about how they and others should care for our world.
