

Parents in Partnership

Year 4 Homework: Week Beginning: 9.7.18

The overview of Maths works for this half term.

Over the half term we shall be continuing to look at Mass, Volume and Length, Position and Movement as well as looking at Geometry (including angles, symmetry and the properties of shapes.) Finally we will be recapping all that we have learnt this year so that the children are ready for Year 5! -Where has the year gone?!

This week for Maths homework the children will be looking at sorting shapes.

We have been revising adverbial phrases. The children will be completing an adverbial phrase worksheet.

Revision of key yr3/4 words.
