Year 4 Class Newsletter

Ancient Egyptians

The display of Week 8 homework is impressive and the children have enjoyed looking at each other's work.

This week can you make a piece of jewellery an Ancient Egyptian might have worn? Be both imaginative and creative with your work and it will be displayed in class for others to see!

Autumn Week 10

English

We have been using possessive pronouns.

Put these possessive pronouns into sentences:

mine, yours, his, hers, ours
and theirs.

Remember to take care with your punctuation and presentation.

Spellings

Children will be tested on Mondays

We have changed the way we are setting spellings. The children will all learn the first 5 spellings but then the next 5 will depend on the spelling group they are in.

These groups are not fixed and your child may move between the groups depending on how they are doing in the tests. The results to their tests will be sent home every week so you can see how they are doing.

Maths

This week's homework is to add fractions to a number line. We have been working on these in class and all the children now tell me they understand how to do this. Please let me know if there are any problems.
