**PE days are now Thursday and Friday – please ensure all kit is in school on these days.**

**Our topic this term is...**

**The Circle of Life**

## **RE Theme**

The purpose of this unit is to deepen our understanding of the Annunciation and the events of the Christmas story. Emphasis has been placed on the journeys associated with the Birth of Jesus, as well as highlighting what we can learn about Jesus from these journeys. This work helped set the context socially, religiously and geographically for the Birth of Jesus. The question was also raised of the implications for the Church's work today, consideration is given to the Church's work with refugees in the light of the 'Flight to Egypt'.

## **Homework**

### **English and Topic**

Over the past few weeks we have been exploring animals and their habitats. We thought about what animals needed to survive and how they have adapted to their habitats.

For the next two weeks homework, we would like you to research and animal of your choice. Create a small poster, about the animal and the things you find out. It could include a picture, it's habitat, it's diet. These will be displayed on our new Home Learning display!

**Maths:** To support our times tables knowledge, Mr Dennis and Mrs Baskerville have set up a Rock stars Challenge Battles! The battles start on 1st February and will run for a month, ending on 29th February. Battles are as follows:
