## THE END OF YEAR 5!

Summer is here  
But one last thing  
Before you pack up your bag  
And hear the bell ring

When you move onto next year  
We hope you'll know  
Strategies you learned  
To help your brain grow

Like try your best  
Give it your all  
Don't be afraid to take risks  
Get back up if you fall

Mistakes are okay  
They help you to learn  
Stay humble and kind  
Through all that you earn

Be proud of yourself  
Always strive to learn more  
Know you have a fan club  
When you walk through the door

Thank you for your effort this year  
And the stories you shared with me (us)  
Enjoy the whole summer  
And just be happy!

**WISHING YOU A SAFE SUMMER BREAK!**
