

Parents in Partnership

Year 5 :

Date set: 14:9:12 Date due in: 19:9:18

APOLOGIES FOR THE DATE MISTAKE ON LAST WEEK'S HOMEWORK.
THE TOPIC HOMEWORK IS DUE IN ON WEDNESDAY 19TH SEPTEMBER

This week we have been learning:-

What a FABULOUS week we have had. Nothe Fort was amazing and the children behaved beautifully and have learnt a lot.

English: We have been writing a recount of our visit to Nothe Fort. From this piece of work, I will then decide what the children's writing targets should be.

Spellings: Because of our trip to Nothe Fort, no specific spelling teaching has taken place. However, the children were tested on all the Year 3/4 and Year 5/6 spellings and have had the results. They will be put into spelling groups and given spellings to learn next week.

Maths: The children had a times table test on Monday and have had the results. This will give us the opportunity to target which tables your child needs to practice.

We have also started to learn about place value and we are reviewing what we already know before moving on to the next stage. The children have found it quite challenging writing numbers when there is a zero in one of the columns eg 402,134.

Homework Tasks.

Topic:

Finish the work about your table name. This should be a Fact File with as much information as possible.

Maths:

In your homework book, think of two 5 digit numbers and two 6 digit numbers and write them in numbers and words.

My child's response to the tasks.

Extreme Reading, Caught Writing
