This is what we have been learning this week.

Maths	English	RE	Science
We have continued our work on addition and subtraction word problems. And we have used the inverse to solve problems too.	We have written a persuasive text about living healthily. We edited and improved it.	We have learnt about how Muslims pray as part of our work on other faiths.	We created a simulation of food travelling from the mouth to the bottom.

Homework tasks will be set on Friday and will be due in on the following Wednesday.

Homework Tasks.

Task 1:

Mrs Berry wants to start a School Council so that children can put forward any ideas and concerns that they have.

Voting for the School Council will take place after half term.

Prepare a short speech to give to the class about how you could represent Y4.

Things you could include:- any ideas you have about how the school could be improved, how you will listen and pay attention and how you will put forward Y4's ideas and worries.

You will probably have your own ideas as well.

Task 2:

Next term our topic will be 'Oh no he isn't' looking at Pantomime scenery and costumes. We will also be learning about sound in science.

In preparation for this, find out as much as you can about pantomimes.

This might include the history of panto, different characters, stories and anything else you like or are interested in.

Present your work in an interesting way.

EXCITING NEWS

Reading Challenge!

At St Augustine's, we believe that reading is an essential skill for all children and we hope that they enjoy reading for pleasure. After half term, we are launching our new 'Reading Challenge'. The aim is to encourage children of all ages to read aloud at home to an adult, develop their fluency and their love of reading! When a child achieves 30 'reads' this success will be shared in our Celebration Assembly on a Friday and children awarded with a special reading star badge. These badges can be worn proudly on their school jumpers! Additional badges can be won at 60 'reads', 100 'reads' and 150 'reads'.

We would like a 'read' to mean around 15-20 minutes of sharing a book with an adult.
1 'read' = 1 day.

It still counts as 'a read' even if they haven't finished the whole book. Please use the yellow reading records to record when your child has read at home, these will be monitored by staff.

Thank you for your support and hope that all children make super progress over the year to become happy, enthusiastic and more fluent readers.
