

Parents in Partnership

Don't forget we return to school on the Monday 6th January 2020!

Year 2

Topic Newsletter 20.12.19

Wow... the first term has now come to an end. We have had such an amazing first term in Year 2, learning so much and having fun along the way.

We have many exciting things to look forward to next half term. We will be learning about lots of different animals from around the world, animals we have in our homes and how to care for them. Please could you send a photo of a pet, you or a family member has, in to school (labelled) for your child to talk about in the new year!

Next term our topic will be...

The Circle of Life

Home Learning choices over the holidays

Please complete one of the activities below to support your child's learning ahead of our new topic 'The Circle of Life'. If you want to complete more, then that's an added bonus!

- ❖ Take photographs of your family pets and write instructions about how you can care for them.
- ❖ Create a natural collage or draw a pattern you have observed in nature
- ❖ Research an artist who uses natural material
- ❖ Create a weather station and record your results
- ❖ Carry out a rotting experiment and record your results.
- ❖ Watch 'The Lion King' – use the film to write the story, don't forget punctuation and illustrations.
- ❖ Plant a bulb and write a plant diary.
- ❖ Visit the rockpools, take photos or draw a picture of these habitats.

and most importantly have a very merry Christmas and a happy new year!
