

Parents in Partnership

Year 4:

Date set: 6.3.2020 Date due in: 11.3.2020

NOTICES:

- The Lighthouse homework is FABULOUS. Many thanks to everyone who made the children's learning so exciting.
- And wonderful, creative word costumes too.
- Continue to practice your times tables. Use TT Rockstars for at least 10 minutes a day.

Competition Time: Please see the attached sheet for an exciting competition linked to Science week which begins on Monday.

This is what we have been learning this week.

Maths	English	RE	Science
We have been adding and subtracting fractions.	We have been learning how to use a dictionary to look up the meaning of words.	We have been learning about Jesus' temptation in the desert.	We have learnt the difference between mains electricity and batteries.

Homework Tasks.

Task 1:

Find some instructions. They could be to build a model, play a game or bake something.

Follow the instructions.

Ask someone to photograph you. Stick the photo in your book and explain what you have done.

Please remember that if you decide to bake something, you have an adult to supervise the oven.

Task 2:

Look around your home.

How many different electrical appliances can you see?

Make a list and say whether they are run on mains electricity, batteries or both.

My child's response to the tasks.
