

# Parents in Partnership

## Year 4:

Date set: 22.11.19    Date due in: 27.11.19

### REMINDERS

Brass instruments on Wednesday

This is what we have been learning this week.

Maths	English	RE	Science
We have learnt how to divide numbers by 10 and 100.	We have written our own poem based on 'Don't do that' by Michael Rosen.	We have learnt about what a vocation is and we have read the story of David the shepherd boy.	We have learnt about the vibrations that sound makes as it reaches our ears.

Homework tasks will be set on Friday and will be due in on the following Wednesday.

## Homework Tasks.

### Task 1:

Divide each of these numbers by 10. And then by 100

eg:  $3400 \div 10 = 340$  and  $3400 \div 100 = 34$   
2700

3000

4250

1255

369

Challenge: think of some numbers of your own and divide them by 10 and 100

### Task 2:

Think of at least 3 sets of rhyming words. Write your rhyming words in sentences like we did in English.

For example: smell and bell...

Don't make a nasty smell near a huge bell.

Challenge: can you make all 3 of your sentences link?

For example - can all 3 sentences be about a church, or a house, or a boat?

My child's response to the tasks.
