

# Parents in Partnership

Year 5:

Date set: 4th May

Date due in: 9:5:18

This week we have been learning:-

English: Following on from a scenario in the book *Kensuke's Kingdom* by Michael Morpurgo, we have been writing a balanced argument about whether parents should take a child out of school to sail around the world.

Spellings: We have gone back to review the work we did recently on silent letters.

Maths: We have been finding out how to change a fraction to a decimal and a decimal to a fraction. We have been using this knowledge to order fractions and decimals.

## Homework Tasks.

### English:

Over this Bank Holiday weekend, keep a note of all the things you do. Make sure you write down each activity and how it made you feel. This does not have to be done in sentences - it could just be bullet points or a list. However you will need to know this for our English work over the next couple of weeks so make sure you write as much as possible.

### Maths:

Please complete the attached sheet. Stick it in your book and write the answers neatly on the page of the book.

My child's response to the tasks.
