

Welcome back! I hope you had a restful half term.

We had a wonderful time with Centurion Callum from Dorchester Roman Tours. Callum has emailed to say how brilliantly the children behaved and what a credit they are to our school which was lovely to hear. He also said that he was amazed by the fabulous knowledge and questions they had!

A great afternoon had by all!

English and Reading

In English we have been exploring different types of poems, We have looked at:

- Shape poems- where you write in the shape of an object
- Acrostic poems- where you have a word down the side, each words of the line must start with that letter and the poem is about that word.
- Free Verse- you can write the poem however you like!
- Rhyming Couplets- the poem is written in groups of 2 lines and they have to rhyme.
- Riddle- the poem describes something without saying what it is and has a 'what am i?' at the end.

I would like you to choose one poem type and write a poem about yourself in that style!
