

# Parents in Partnership

Autumn Week 4

Year 1

It has been lovely this week to see photographs of the children's homework tasks on tapestry and to celebrate their home learning with them. I'm also thrilled to see so many children having a go at their IXL homework tasks, as a class the children have answered over 2,500 questions online which is amazing. As we are developing our use of virtual platforms to support your child's learning, please ensure you read the parental guide to using Google Classrooms that has been sent out via Parent Mail today. More information will follow next week. Thank you in advance for your continued support. Also, well done to everybody with their first spelling test last week, I was extremely impressed. We will communicate the spelling scores via Reading Records on a Monday. A couple of people have asked me about TTRock Stars, please don't worry; we will have a look together as a class over the next few weeks to ensure the children are familiar with it.

## Gospel Values

This week our liturgy was based around the Gospel Value of integrity. Please discuss this with your child and ask if they have any examples of somebody showing integrity this week.

### Maths

In maths this week we have been looking at greater than and less than, ordering numbers and objects as well as finding out about ordinal numbers.

### Maths Homework

IXL Homework Level B C23

### Literacy

This week in class the children have been sequencing stories, developing their vocabulary and writing sentences using capital letters and full stops.

### Literacy Homework

Many thanks for all your support with the homework tasks.

### Phonics

We have been recapping the following sounds ch, sh, th and ng. In your child's book bag we have put a set of all the phonics they have learnt previously as well as the sounds we will be focusing on next week. Each week we will add the sounds of the week for you to practice at home with your child.

## **REMINDERS AND IMPORTANT INFORMATION**

Well done to everyone who has labelled their PE kit, jumpers etc. it is now much easier to find the correct owner. The children are also getting much better at keeping their clothes together when they change for PE, however, a couple of jumpers seem to have gone missing and we do have a plea to try and find a tie; if an item of clothing has arrived home via a PE bag which doesn't belong to your child please can you return it to school and we will return it to the correct owner? Could we also remind the children that they need to bring their bookbag and reading record into school every day to enable us to record when they have taken part in guided reading etc. and we can also ensure that they have their books changed on their allocated day? Thank you so much for your help in keeping the children organised.

Thank you so much and have a lovely weekend. Mrs. Batten, Mrs. Harrop and Mrs. Gardner
