

Parents in Partnership

Year 5 :

Date set: 2:2:2018

Date due in: 7:2:2018

This week we have been learning:-

English: This week we have been investigating biographies. We have had a quick look at excerpts from Roald Dahl's and Michael Morpurgo's biographies. We have found the features of biographies and learnt how to summarise them. When writing a summary, we have had to only use the important information and none of the details.

Spellings: We have investigated the sound 'shul' which can be spelt 'tial' and 'cial'.

Maths: In maths this week we have been changing improper fractions into mixed numbers and from mixed numbers to improper fractions. We have also investigated equivalent fractions to see how to simplify fractions.

Homework Tasks.

English:

Check through and practice the different spelling patterns we have learnt this year. Remind yourself of the patterns as we will have a quick spelling test on Friday.

Topic:

Following on from the discussions we have had this week about the Super-blue-blood Moon, I can't wait to see the homework presentations about the Moon and the lunar cycle.

Don't forget, you can add pictures from newspapers, your own photos and drawings and information you have found out.

And if anyone is interested, the programme last Wednesday evening was on BBC1 at 9pm and was called Wonders of the Moon. It can be found on BBC iplayer - it was brilliant.

My child's response to the tasks.
