

Please remember homework is handed out on the Wednesday and then due in on the following TUESDAY. You can always bring it in before if you have finished! The dates of homework are always at the top of the PiP.

### Maths

We are focusing on division for the next few weeks. Please work on division facts for the 3,4, and 8 times tables.

Remember: this is the inverse of multiplication!

Challenge: have a go at writing division worded problems. Use language like: equally and share.

### English and Reading

Keep pushing with the reading challenge! I have some certificates and lovely red star badges that I would love to give out before Christmas for those that get to 30 reads!!

In English we have been looking at using speech in newspaper articles as a way to get quotes from eyewitnesses. Choose a story/book of your choice and think of some quotes you could write- just like in our lesson. E.G. "I am so happy that lovely fox got away from those evil farmers," stated an eyewitness from the scene of the incident. (Fantastic Mr Fox!)

### RE

We are coming to the end of our sacraments topic now. Next week we will be starting our next topic which is advent!

### Topic

The children have been producing some gorgeous silhouette artwork based on The Iron Man. This week we will be using chalk to work on creating shadows to draw his face.

### Spellings

We will be continuing with another prefix this week. This time it is dis-.

Disagree

Discover

Disappear

Disobey

Dislike
