

Parents in Partnership

Year 2

Date set: 01.03.2019 Date due: 07.03.2019

We hope that you all enjoyed a fantastic half-term holiday with your children.

This week in English we have begun our new genre: persuasive writing. Over the next few weeks we will be exploring the features of persuasion and looking at the language used. If you have any advertising leaflets or brochures for us to look at, please bring them in.

In maths we have started work on money. Any opportunities that your child can have to explore real money (either through role-play at home or spending money at the local shop) will really help to embed this learning for them.

In science this week we have begun our unit on the environment. We looked at ways in which we can reduce, reuse or recycle items in order to cut down waste.
