Number Task: Summer 1 Week 2

Name

(Y6)

Revision

This week we have been revising everything for our arithmetic and reasoning papers. The children have worked really hard and should be proud of their efforts!

TASK 1

There is no formal homework this weekend at the children need a good rest in order to be refreshed ready for the mocks next week. However if the children wish to do any revision they may use the link under the 'Our School' section of the website.

Literacy and Topic

Again we have been revising for our reading tests and looking at techniques for answering three mark questions.

In addition to this we have been writing out 'Teacher-Pleaser' explanation texts on fictional machines that will create stress-free teachers and hence a better life for the children. These are brilliant! It's worth asking the children about them!

TASK 2

Again there is no formal homework as the children need a rest before the mocks next week. However if they wish to do some revision

<http://www.bbc.co.uk/bitesize/ks2/english/reading/> may be useful.

Spelling and Grammar

As expected, this week we have been revising for our upcoming tests. We have revisited adverbials, bullet points, parenthesis, correct use of capital letters, hyphens, dashes, inverted commas and direct and indirect speech.

TASK 3

Again please ensure your child has a relaxing and restful weekend. If they wish to do any revision http://www.bbc.co.uk/bitesize/ks2/english/spelling_grammar/ may be helpful.

My child's response to the tasks.

Extreme Reading... Caught Writing...
