

Parents in Partnership

Number Task: Spring 2 Week

Year: 2

Number Work

This week in Maths we have been continuing to look at measuring. this time we have been looking at comparing the difference in size. We have found this quite tricky! this week I would like you to practise some more for homework.

The paper clip is 3cm.

The pen is 12 cm.

The paper is 26 cm.

What is the difference in cm between the paperclip and the pen?

What is the difference in cm between the paperclip and the paper?

What is the difference in cm between the pen and the paper?

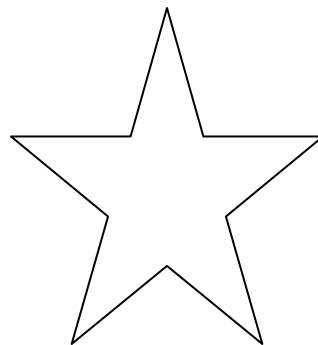

Writing

This week in Literacy we have been looking at recounts. They children were asked to write a recount of their half term holidays. They had to think about their sentence starters (First, Then, Next, After, Finally).

I would like your child to write a recount of what they get up to at the weekend. Thinking about capital letters, full stops, finger spaces and those sentence openers!

My child's response to the tasks.
