

## Pupil Premium Funding

As you are aware, the school receives additional funding from the Government to support your child/ren through the Pupil Premium initiative.

Primarily the aim of this additional funding is to support your child/ren academically with their learning in school. This may be in the form of small group or 1:1 interventions or prioritized support in the classroom. Some children may also receive additional, tailored support for their emotional and social learning.

Some funding is also used to support attendance at school. It is known that just a 10% reduction in attendance can result in a drop of one GCSE grade, so it is really important that good habits are formed at primary school, that will enable your child/ren to go on to succeed to the best of their ability in the future.

In addition to academic and emotional support, some funding is also available to enhance curriculum provision to enable all children to have access to similar experiences.

From September all children in receipt of the Pupil Premium will be offered:

- £35.00 uniform voucher for the start of each academic year.
- Free milk for children in key stage 1.
- 25% subsidy on the cost of residential trips.
- 50% subsidy on musical instrument lessons that take place in school.

The full Pupil Premium strategy document is available to read on the school website.
