

Home Schooling Daily Plan

Year Group: 6

Date: Thursday 16.7.2020

Welcome to Thursday. Only 2 more days as a pupil of St Augustine's.

Today we will again focus in RE on our Gospel Values, as these are something that could help guide us in our future lives, we will reason again in maths and in both English and PSHE we will complete some transition activities that will help us prepare for secondary school.

If you have any other problems, queries or questions relating to home schooling or school itself then please contact me via this email address:

Year6@staugustines.dorset.sch.uk

penultimate

[pi-nuhl-tuh-mit]

adjective

1. next to the last:

*the penultimate scene of
the play.*

RE WAGBAT: employing the key messages in our school Gospel Values

The school at its heart is built around our Gospel Values. These 8 values represent ways in which we can lead better lives, they can guide us and offer us a framework around which we can build a world-view.

Just to remind you, the school's Gospel Values are...

Humility- seeing life as gift

Compassion - empathy

Kindness - working for a fairer world

Forgiveness - reconciliation

Integrity - do what you say

Peace - committed to peace-making, non-violence

Courage - standing up for the truth

Justice - working for a fairer world

*Task	**Task	***Task
Finally, using all of the Gospel Values create a design that incorporates them and could be used as a school logo.	Finally, using all of the Gospel Values create a design that incorporates them and could be used as a school logo.	Finally, using all of the Gospel Values create a design that incorporates them and could be used as a school logo.

English WAGBAT: Identifying key questions about myself

Complete the questions below. These are great starting points for conversations with the new friends you will make at secondary school.

Getting to know you

My favourite place is.....

My favourite food is.....

My interests are.....

I don't like.....

I like to listen to

My favourite band/music is.....

My favourite sport is.....

My favourite programme is.....

My favourite colour is.....

I like to wear

I would most like to be.....

I am looking forward to

I am most relaxed when.....

I worry about.....

I am happiest when.....

I get angry when.....

Maths WAGBAT: Consolidating our reasoning skills and identifying areas for development

Q1 Write all the factors of 30 that are also factors of 45.

1 mark

Q2 Look at these calculations.

$$1301 + 287 = ?$$

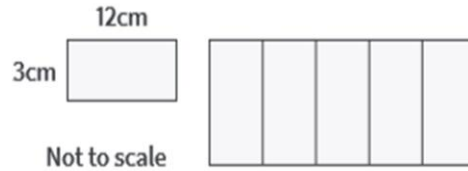

$$1499 + 287 = ?$$

$$1545 + 287 = ?$$

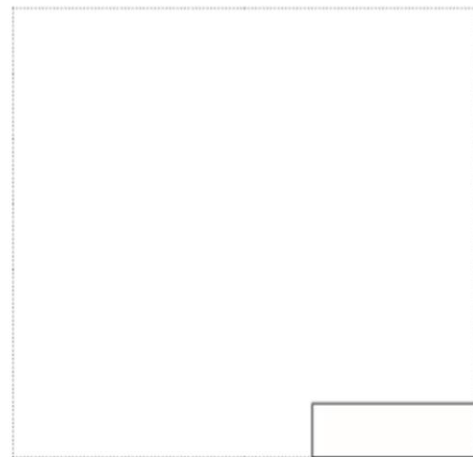

Which calculation is the odd one out? Why?

2 marks

Q3 A large rectangle is made up of five smaller rectangles.

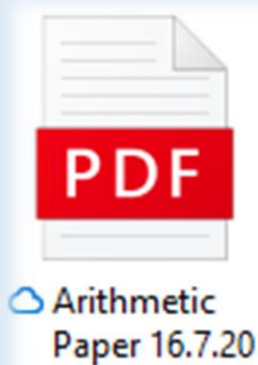

What is the perimeter of the large rectangle?

2 marks

Complete the above questions first. Once you have done complete the final arithmetic paper by clicking on the link in the Year 6 Home Schooling section that looks like this:

[illegible]
