<div><div><div><div>Phonics</div><div>Over the past few weeks we have been assessing the children in their learning. We have carried out a phonics assessment to see if the children have consolidated the phonics we have taught this year. We have attached a 2 sided phonic sheet for you. On the front of the sheet, we have indicated any phonics your child was unsure of by circling them. We ask that over the Summer you revisit all these Phase 2 and Phase 3 sounds. On the back of the sheet are the Phase 4 and 5 Phonics. We have taught almost all of the Phase 4 Phonics and ask that you revisit these over the holidays. If your child is secure with all their phonics, please look at the Phase 5 Phonics which will be taught in year 1.</div><div>Thank you.</div></div></div></div>	<div><div><div><div>End of Term Arrangements</div><div>Yesterday, (Thursday,) we sent home your child's PE Kit. Tricky Words

We have finished teaching the children their Reception tricky words. We will continue to send these home every week and ask you to continue to help your child learn these words by sight. We will continue with regular tricky word activities at school.

Phonics

This week we have focussed on recapping our tricky words, together with learning to read words ending with 'lp' and 'lf.' If you are able to, please read these words on the enclosed sheet. If your child is confident in reading these, please help them spell the words using their phonic knowledge to help them and to provide extra challenge, encourage them to write sentences with these words.

These are some of the sentence starters we have worked on in class.

It is a _____.

This is a _____.

I can see a _____.

Please note that school finishes at 2.15 on Tuesday 23rd July.

Thank you.
