

Parents in Partnership.	Year 3.	
	Date: 23 <sup>rd</sup> October 2020	

Thought for the Week:

Compassion - how will you show compassion this week?

#### OCTOBER HALF TERM

Well done to everyone in Year 3 – children and parents and carers.

It has been an interesting term and the children have risen to the challenges that Covid-19 has imposed on them.

I have been very impressed by the way they have adapted to the new routines and systems that are in place to keep everyone safe and well.

Have a rest over half term and stay safe.

I look forward to seeing you back on Tuesday 3<sup>rd</sup> November.

#### What we have been learning this week.

Maths	English	Science/Topic	RE
We have been learning how to subtract 2 digit numbers from 3 digit numbers using apparatus, pictures and diagrams.	We have been planning and writing a poem about fossils or a dinosaur using adjectives and noun phrases.	We have learnt about soils and how they are made by doing a fair test to find out about the layers.	We have learnt about the promises made by parents and godparents during Baptism.

## Homework Tasks.

Homework is set on a Friday and due in the following Wednesday.

#### Homework.

Congratulations to all the children who did their homework last week.

In Year 3, the children answered over **17,000 questions...** AMAZING work Year 3 - well done.

English	Maths
Over half term, go back and practice all the skills you have been set. They are the ones where the little star is highlighted in yellow. Also, go onto TTRockstars and try and beat your score.	

#### Spellings:

This week's spellings have been uploaded to Google Classroom. Please log in and do the tasks set and send me a photo of you doing the task.
