

Parents in Partnership

Year 4:

Date set: 8.11.19 Date due in: 13.11.19

REMINDERS

- Thank you to all the parents who came to Parents' Evening. It was lovely to meet you all.
- Also, thank you for helping your children to write their speeches for the School Council elections. They were all brilliant and we have now elected a boy and a girl to represent Y4.
- Our trip to see Michael Rosen is on Monday. Please send in your £5 as soon as possible. Also, make sure your child is in uniform and suitably dressed for the weather conditions.
- Brass Instruments on Wednesday as always.

This is what we have been learning this week .

Maths	Parliament and British Values	RE	Science
We have learnt about minus (negative) numbers by counting back through zero. We have also learnt about Roman Numerals.	We have learnt about the structure of the British Parliament and British Values. We have also found out about Dame Tanni Grey Thompson.	We have learnt about Moses and the Burning Bush as the start to our work on the Sacrament of vocation.	Because of our fascinating work on British Values week, we have not had time for Science this week.

Homework tasks will be set on Friday and will be due in on the following Wednesday.

Homework Tasks.

Task 1:

Look around you and see if you can find examples of minus (negative) numbers - maybe on temperature charts.
Also look for Roman Numerals - try looking on clocks or at the end of TV programmes.
Record what you find

Task 2:

In preparation for next week's amazing visit to see Michael Rosen, find a poem that you like and practice reading it. It doesn't have to be a Michael Rosen poem but you need to be able to explain why you like it.

My child's response to the tasks.

Extreme Reading,
Caught Writing
