

# Parents in Partnership

## Year 4:

Date set: 10.1.20    Date due in: 15.1.20

### NOTICES:

It is lovely to see the children back at school ready for the new term.

This is what we have been learning this week.

Maths	English	RE	Science
We have been working out the perimeters of rectangular shapes.	We read the story of Osiris and Isis. We acted out the story to show how the characters must have felt. We then wrote a summary of the story.	We have learnt about the feast of Epiphany and the arrival of the 3 wise men.	We have started the science topic 'States of Matter' by learning the difference between solids, liquids and gases.

Homework tasks will be set on Friday and will be due in on the following Wednesday.

## Homework Tasks.

### Task 1:

Continue with the work started in ICT this week by finding out as much as you can about your table name. Make notes in your homework book ready to use in class this week.

My table name is .....

### Task 2:

Find at least 2 rectangular objects at home. Measure the sides and work out the perimeter of each one.

My child's response to the tasks.
