

Parents in Partnership

Year 2

Date set: 29.03.2019 Date due: 04.04.2019

This week in English we have written a persuasive piece of writing about why it is important to conserve water. In maths we have carried on looking at 2D shapes – this week we have tried to draw shapes accurately using gridlines and have sorted 2D shapes by their number of sides, vertices and lines of symmetry. We have also continued shape patterns. In R.E. we have created a poster to show our understanding of Lent and written a prayer about forgiveness. In science we carried out an investigation to see how much water we waste if we leave the tap running whilst washing our hands!

Homework Tasks

Spelling rule: the sound 'zh' spelt 's'.

television

treasure

usual

division

pleasure

Spelling result
from last week:

Minutes on Lexia:

Money made on
TT Rock Stars:

Your child also has FIVE extra spellings linked to the common Year 1/2 words.

Maths: In your CGP book, please complete page: 50

Please also practise the 2, 5 and 10 times tables for a test next week.

Reading: Can you complete the STARBOOKS challenge by the Easter holidays? Congratulations to the children who have already achieved this 🌟.

Science: Please complete the worksheet showing how you can save water.

My child's response to the tasks.
