A massive thank you to everybody for their amazing efforts in supporting children to research an animal! We have had some amazing examples and the children have loved sharing their knowledge with the class!

Our topic this term is...

The Circle of Life

RE Theme Parable of the week: The Prodigal son

We have been thinking about forgiveness and how God will always forgive others. We wrote something that we were sorry for on a piece of kitchen paper. We visited the Chapel and put our worry into a bowl of water and watched the writing disappear, to represent how God forgives and takes away our worries.
