

Parents in Partnership

Year 4 Class Newsletter

Victorian. We have another exciting History topic for this half term in Year 4. We have briefly looked at some Victorian inventors this week in class. Please can the children investigate an invention that was made by the Victorians-they can present this through a model, poster or any other way they like!

Summer Week 29

English

Our topic this term is poetry. Perhaps you could share with your child your favourite poem or investigate and read a new poem together!

Spellings

We are continuing to work at improving the children's spelling of words from the Year 3 and 4 word lists which all children should know by the end of the year. (Some children are now learning the Year 5 and 6 words).

Whilst we are delighted with some children's progress, unfortunately, some children are not spending sufficient time learning their spellings, which is hindering their class work. Please can you encourage your children to learn their spellings every week

Maths

This week's homework is based on adding and subtracting word problems. We have been looking at how we find the important information that will help us to solve the problem.

All children

Adding the prefix *inter* meaning *between or among*.

Interact
Interfere
Intercity
International
Intermediate

Red Group

Year 1-2 words

Come
Some
One
Once
ask

Yellow Group

Year 3-4 words

Separate
Special
Straight
Strange
Strength

Blue Group

Year 5-6 words

Exaggerate
Excellent
Existence
Explanation
Familiar

Please can your child also continue to learn the words they still need to be able to spell from their individual test results? The children will be tested again, on all words from the Year 1-2, Year 3-4 or Year 5-6 high frequency word lists at the end of the Summer term.
