

Number Work

This week in Maths we have been solving lots of division problems. can you solve these? write the number sentence and show your working out.

1. 4 potatoes are shared onto 2 plates. How many potatoes are put on each plate?
2. Tim and Tom share a bag of 16 marbles. How many do they get each?

Extension: Can you think of your own word problems for dividing by 2?

Writing

This week in Year 2 we have been looking at fantasy stories about dragons.

I would like your child to think of some adjectives to describe a place that a dragon might live.

- 1.
- 2.
- 3.

Can you think of any more?

My child's response to the tasks.
