

Number Work

This week we have been continuing to look at money, but have progressed on to notes. The children have been getting familiar with the different types of notes and learning that there is no €30 note for example. Please find some challenges below:

1. How can we make €30?
2. How can we make €40?
3. How can we make €60?

After half term we will be looking at Fractions $1/4$, $1/2$ and $3/4$ so if you would like to get a head start on that over the Easter holidays you are more than welcome to!

Writing

During the Easter holidays I would like you to write a diary entry for what you have been up to in the holidays. Remember to write the date at the top and to talk in First person 'I/ we' I can't wait to read them when we come back.

My child's response to the tasks.
