Spellings

Children will be tested on Mondays
We have changed the way we are setting spellings. The children will all learn the first 5 spellings but then the next 5 will depend on the spelling group they are in. These groups are not fixed and your child may move between the groups depending on how they are doing in the tests. The results to their tests will be sent home every week so you can see how they are doing.

Topic/English

We are finding out about the Victorians.

Well done to all the children on their Victorian themed assembly. For homework this week the children have said they would like to know more about Queen Victoria's children and her husband Albert. Can they research their names and order when they were born and any other interesting facts to create a page of work detailing what they have found out?

They can add illustrations or pictures to make the page interesting and maybe a timeline to show the order of the children's births?

Maths

Times-tables results are being sent home. If your child still needs to learn some table facts please can you encourage them to practise? Towards the end of this term nationally all Y4 children will be tested on their times-tables and they are given a times-tables pencil once they know all 144 facts.

Can you draw and label these quadrilaterals: rectangle, rhombus, parallelogram, trapezium and kite? Can you also draw and label these triangles: scalene, isosceles, equilateral and right-angled triangle? Please remember to use a sharp pencil and ruler.

Please can your child also continue to learn the words they still need to be able to spell from their individual test results? The children will be tested again, on all words from the Year 1-2, Year 3-4 or Year 5-6 high frequency word lists at the end of this term and results will be sent home.
