

Home Schooling Daily Plan

Year Group: 6

Date: Tuesday 14.7.2020

Welcome to Tuesday. Only 4 more days as a pupil of St Augustine's.

Today we will again focus in RE on our Gospel Values, as these are something that could help guide us in our future lives, we will reason again in maths and in both English and PSHE we will complete some transition activities that will help us prepare for secondary school.

If you have any other problems, queries or questions relating to home schooling or school itself then please contact me via this email address:

Year6@staugustines.dorset.sch.uk

RE WAGBAT: Identify the key message in our school Gospel Values

The school at its heart is built around our Gospel Values. These 8 values represent ways in which we can lead better lives, they can guide us and offer us a framework around which we can build a world-view.

Just to remind you, the school's Gospel Values are...

Humility- seeing life as gift

Compassion - empathy

Kindness - working for a fairer world

Forgiveness - reconciliation

Integrity - do what you say

Peace - committed to peace-making, non-violence

Courage - standing up for the truth

Justice - working for a fairer world

*Task	**Task	***Task
Pick one of the Gospel Values above. Create a piece of art work that illustrates this Gospel Value and its meaning.	Pick one of the Gospel Values above. Create a piece of art work that illustrates this Gospel Value and its meaning.	Pick one of the Gospel Values above. Create a piece of art work that illustrates this Gospel Value and its meaning.

English WAGBAT: Identifying key questions about my new school

Complete the questions below...

Secondary School question sheet

Secondary School: _____

Questions about how the School works	Best way to find out	Answer

THIRD SPACE LEARNING

© Third Space Learning 2018. You may photocopy this page.

Reasoning 2
14.7.20

Complete the above questions first. Once you have done this click on the link titled 'Reasoning 2' found on the home schooling page. Try your best at completing as many questions as possible. The questions included are similar to many of the things you could experience in Year 7 math's lessons.

PSHE WAGBAT: Planning a strategy

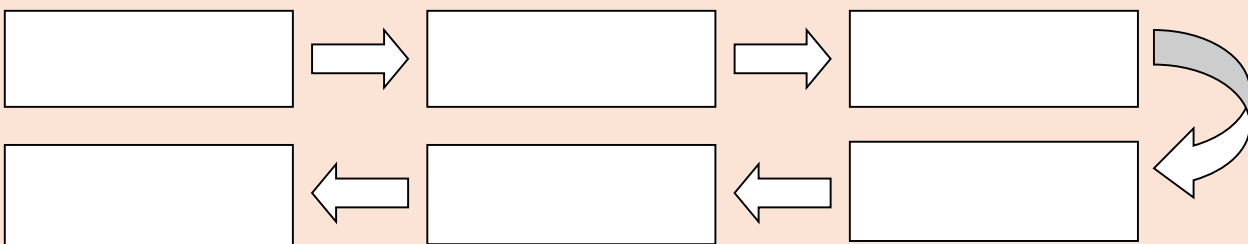

Finding your way around

It can be difficult to find your way around a new environment. Before you visit the Secondary School, get a map of it. You may be able to find this on the school's website. Mark on rooms in different colours.

You may want to mark on

- Your form room
- The library
- Different subject rooms e.g. English room, Science labs, Art room, Computer suite
- The canteen
- The toilets
- The main office
- Student's entrance

Plan a route for your visit to school that will take you to some of the places marked on the map.

Draw your route on the map. Try and follow this route when you visit your School.
