

Thank you for coming to the 'Meet the Teacher' presentation last week- it was good to see you! If you would like to see the PowerPoint it is on the Year 3- Letters section of the website.

### Maths

This week we have been looking at ordering and comparing different numbers. Choose a star, order the numbers from smallest to largest then write three comparison sentences

316  
952  
458  
395  
628

255  
132  
334  
140  
495

845 558  
862 695  
982 795  
481 420

*An example sentence would be: 403 and 563 are similar because they both have 3 ones.*

### English and Reading

We have been writing character descriptions this week. I would like you to have a go at drawing a character of your choice (made up or from a book) and labelling them with information. For example you could do a label that says 'His claws are as sharp as needles.' Please write in full sentences for each label!

### RE

This week we have been looking at the 12 Disciples and what they had to do. We talked about what characteristics they would have and had a go at writing a job advert for a Disciple. We had lots of requirements!

At the end of the week we will be doing some junk modelling to see what we can create from rubbish!

### Times Tables

We are still working on the 3- and 4-times tables. Well done for the constant practicing! We need to start being able to recall facts out of order and much quicker!

This week, have a go at 'Hit the Button' on Top Marks (If you just google hit the button top marks it will come up). Have a go at the x3 and x4 tables!

How many can you get in 60 seconds? Write your score down!

**3 x table:**

**4 x table:**

### Spellings

This week our spelling rule is using the sound 'ou':

Touch

Double

Country

Trouble

Courage

Please check the yellow book for the 5 other spellings!
