

# Parents in Partnership

## Year 4 Homework: Week Beginning: 16.4.18

*The overview of Maths works for this half term.*

Decimals, pupils will learn about tenths and hundredths. They will learn how to count, order and record the decimals in different ways. They will begin to see equivalence between tenths and hundredths and will be able to compare and order the numbers. Pupils will learn to continue linear number sequences as well as round decimals to the nearest whole number. They will also link tenths and hundredths with dividing by 10 and 100.

Mass, Volume and Length, pupils will learn how to estimate and measure mass, volume and length. They will learn how to convert units of measure from larger to smaller and vice versa. Pupils will also be taught how to measure perimeter using centimetres and millimetres. They will use their knowledge of measures to solve problems involving all three aspects of measurement in this chapter.

### **Homework.**

**This week we have been looking at how to round decimals to the nearest whole number and to the nearest 0.1.**

**There is a choice of homework sheet this week. Children should choose the one that is best suited to their knowledge.**

*Our Topic this half term is Seas, Rivers and Water*

**Research and make six lists:**

1. Rivers in Great Britain
2. Seas that surround Great Britain
3. Words that can be used to describe water
4. Sea creatures that can be found off the Dorset coast
6. Sea creatures you can see at the Weymouth Sea-life Centre

*Spellings this week 'g' sound spelt 'gue'  
and 'k' sound spelt 'que'*

*Please learn how to spell these words for  
test on Mon. 23<sup>rd</sup> April*

roque

tonque

league

fatigue

intrigue

antique

unique

plaque

physique

arotsaque

## *Response to Homework*

Please support your child with their homework by providing them with time and suitable place to complete it. We expect their homework to take 30-45 minutes and it should be completed relatively independently. The children will be tested again this week on the remaining timetables and results will be sent home next week.
