

Parents in Partnership

Year 5:

Date set: 12:7:19

This is the final PIP newsletter of Y5.

Thank you for all your support this year.

It has been a pleasure to teach your lovely children this year and I wish them, and you, a relaxing, restful summer break.

They are all ready for the move to Y6 where I know they will do great things. I hope they will come and see me in September.

I'm looking forward to my move to Y4 in September where I will get to know some younger brothers and sisters of children I have already taught.

This week we have been learning:-

English: The children have planned and written their own story set in another country. This is the final piece of unaided and assessed writing for Y5.

Spellings: This week's spelling pattern was adding the suffix -ive. Over the next week, the children will be tested on the Y3/4 and Y5/6 spelling lists.

Maths: The children have revised factors, multiples, prime and composite numbers.

Homework Tasks.

Task 1:

In preparation for the spelling tests, review and revise all the spelling patterns in your yellow spelling books.

Task 2:

Review and revise your times tables as we will be doing a test up to 12x12

My child's response to the tasks.

Extreme Reading, Caught Writing
