Topic:

We have kick started our Aviation topic and there is a big buzz around the classroom thinking about planes and flights. Anything you find out, please tell me!

Times Tables:

The 8 times table is out big focus! Keep practicing to learn them by-heart.

English

We have been looking more in-depth at instruction writing this week. Can you have a go at writing catchy headlines for these 5 different instructions. They could start with “how to” and can include adjectives.

- Lego car
- Paper chains
- A cake (flavour of your choice!)
- A milkshake (flavour of your choice!)
- Playing a game (you choose!)

Maths:

Continue with the 4 different operations. Below is an example of each to help you remember the lay out.
