

Year 5 Autumn Term Homework (Class Text - Pig Heart Boy) Year 5 (A1&2)

	A - History	B - Computing/PE/Maths	C - Art/DT	D - Literacy
2 points	Create a timeline showing different types of punishment for the crime of theft.	Using ppt, create a timeline to show how crime and punishment has changed and developed since the Anglo-Saxons and Vikings. (The knowledge organisers for this term may help you with this).	Design a new front cover for the book Pig Heart Boy.	Write a diary entry as Cameron when he is considering having a pig heart transplant.
5 points	In your opinion, which period of history (from Medieval England to modern day) would be the best time to be a criminal? Write your thought as a speech.	Create a poster to be displayed in the hall explaining the importance of warming your muscles before exercise and stretching after exercise. <i>Remember it should be bright and simple to attract attention.</i>	Watch video on proportions of the human face (below). Use what you learn to sketch your own face, trying to keep your features in proportion.	Write a letter from Cameron to Dr Bryce. In your letter include questions and concerns that Cameron may have.
7 points	Research strange laws from the around the world and create a presentation/leaflet giving information about these.	Create a leaflet informing people of the positive effects of exercise on their bodies.	Using photography and superimposing images, try to recreate your own digital self-portrait in the style of Andy Warhol.	Write a debate with points for and against animal organs being used for advances in human medicine.
10 points	Research Crime & Punishment during the Tudor times. Create an informative poster or leaflet about Crime & Punishment during this time, including: -What date in history -What the most commons crimes were -What the most common punishments were and what crime they were used for. -how many people were killed -What you think caused the most common crime to become so popular -other interesting facts	Measure your resting heart rate and your heart rate after 10 minutes of exercise. Continue to measure your heart rate every minute for 10 minutes afterwards. What has happened? Why is this? Use a line graph and written explanation to show your findings.	Design a game around the theme of crime and punishment. Ensure that your game has instructions and rules to go with your game, along with a suitable game board and counters.	Write a newspaper article detailing Cameron's story and expressing the differing views on animal organs use in human medicine.

You may choose which activities you complete from the grid. You must complete an activity from each area (A-D) and you must complete at least 35 points - obviously I'd love it if you did more! Please upload your work onto Google Classrooms when completed. I'm looking forward to seeing your fabulous work.

Have fun!
