Number Task: Summer 1 Week 3

Name

(Y6)

Mock SATs

This week the children have been real super stars! They have attacked their mock SATs with such a positive attitude and Mrs Wilkins and myself are so incredibly proud of their efforts and attitude! Well done Y6!

The children completed last year's 2017 maths papers (Arithmetic 1, Reasoning 2 and Reasoning 3). To see these papers please visit <https://www.gov.uk/government/publications/key-stage-2-tests-2017-mathematics-test-materials>

TASK 1

This week for homework the children have a reasoning quiz to work through. As there is no homework club on Monday due to the bank holiday, I will ensure the children can have 20 minutes of homework help on Tuesday lunchtime if they need it.

Literacy and Topic

As it has been mock SATs week the children have completed last year's papers. To see the reading paper the completed go to:

TASK 2

Read 'An Unexpected Guest' text and complete the inference questions. Remember inference is all about searching for clues in the text. Remember to refer back to them.

Spelling and Grammar

Again, as it has been mock SATs week the children complete last year's spelling and grammar papers. To see these please go to :

TASK 3

This week the children have some SpAG revision activities recapping on simple word classes, tenses, sentence types and punctuation.

Please complete this in your homework book - not on the sheet.
