

Parents in Partnership

Autumn Week 6

Year 1

It hardly seems possible that we have reached half term! I would like to take this opportunity to say how impressed we are with how hard the children have been working both at school and with their homework over the past half term. Thank you to everybody for sharing their homework activities both via Tapestry and during our homework celebration on Thursday.

Thought for the Week

This week our liturgy was based around the Gospel Value of Compassion. Please discuss this with your child and ask if they have any examples of showing compassion to others this week.

Maths

In maths this week we have been exploring addition and comparing numbers using the signs for greater than and less than.

Literacy

This week in class the children have been re-telling The Red Hen story as well as developing their use of adjectives and exploring the characters in the story.

Phonics Homework

Well done with last weeks homework. This weeks homework activities have been sent to you via Google Classroom and I look forward to seeing the children's work uploaded using the Google Classroom platform.

Literacy Homework

IXL Homework Level B B8

Maths Homework

IXL Homework Level B M7

Many thanks for all you support with the homework tasks.

REMINDERS AND IMPORTANT INFORMATION

Please can I remind the children to bring into school their reading bag, reading books and reading record everyday so that we can record their guided reading sessions.

Thank you so much and have a restful and safe half term and we look forward to seeing the children back at school on Tuesday 3rd November.

Mrs. Batten, Mrs. Gardner and Mrs. Harrop.
