Autumn 1 Week 6

Year 1

Well done to everybody for having a go at the Google Classroom phonics homework, I was very impressed with the work that was uploaded and people's willingness to have a go; we are all certainly learning new skills together! The children have also completed a lot of IXL activities and the feedback I have received is very positive. Thank you so much for all your support with the new learning platforms.

Thought for the Week

This week our liturgy was based around the Gospel Value of humility. Please discuss this with your child and ask if they have any examples of showing humility to others this week.

Autumn Day and Homework Celebration

Next week, on **Thursday 22nd October**, we have planned a special day in Year 1 to explore autumn and to celebrate all the homework that the children have completed this half term. In the morning we will be outside explore the signs of nature to inspire an autumn poem, art work and maths activities. In the afternoon the children will have an opportunity to share and celebrate all the hard work that has gone into their homework activities. The children will need wellies, waterproof coats, hats and gloves for the morning. For the afternoon the children can bring in some of their homework to show the class, this might be a tower (or photograph of the tower) some art work etc. I have already seen a lot of fantastic work from the children via Tapestry and we look forward to being able to share ideas and good work together as a class.

Maths

In maths this week we have been exploring addition and developing recall of number bonds.

Literacy

This week in class the children have been using adjectives in their sentences whilst exploring the characters in The Three Little Pigs.
