

# Parents in Partnership

## Year 4:

Date set: 14.2.2020 Date due in: 4.3.2020

### NOTICES:

- I am so pleased to be back with the children.
- Half term is next week and there is an INSET day on Monday 24<sup>th</sup> February.
- The children return on Tuesday 25<sup>th</sup> February

### SVP Indian Child Sponsorship Scheme

For the past 3 years, we have helped send 7 children to school in India through working in partnership with the St. Vincent de Paul Society. From now until Easter, each class will be busily collecting coins to add to their class box to continue to support these children. We ask that if you are able to help, you give your child small value coins to bring into class to help us with this amazing appeal.

We thank you in advance for your generosity.

This is what we have been learning this week .

Maths	English	RE	Science
We have been practising our work on division and fractions.	We have been revising the work on adverbial phrases.	Our work on Light and Dark has been continuing.	We have learnt about the water cycle.

## Homework Tasks.

### Task 1:

In preparation for our new topic next term, find out as much as you can about Lighthouses.

You could include information about the history of lighthouses, where they are, who runs them, what they are for and any other important facts that you can find.

Present your work in an interesting way.

This is a 2 week piece of homework so please make sure that your work reflects this.

### Task 2:

Continue to practice your times tables.  
Use TT Rockstars for at least 10 minutes a day.

My child's response to the tasks.

Extreme Reading,  
Caught Writing
