## Year 2

Date set: 05.07.2019 Date due: 11.07.2019

In English this week we have looked at the strange looking creatures from "Where the wild things are" by Maurice Sendak and written character descriptions of our favourite!

In maths we have looked at time durations (e.g. 1/2/3 hours later and 15/30/45 minutes later) it has been great to see the children are getting to grips with telling the time well now. Any practice at home is always helpful (e.g. If Horrible Histories begins at 4.00pm and lasts for 30 minutes, what time will it end?).

In R.E. we have looked at Hinduism and learnt about the very colourful Holi festival!

In science we went around the school ground identifying different trees and flowers. They are becoming experts at identifying leaves!

**YEAR TWO ASSEMBLY:** Our final class assembly is on Wednesday 17<sup>th</sup> July at 2.40 and will take the form of an Awards Ceremony. There are no lines to learn but please bring in 'posh clothes' as soon as possible.

**PLEASE NOTE:** In hot weather, it is important that the children come to school with suncream already applied and sunhats in bookbags ready for break, lunchtimes and outdoor learning sessions.
