Farewell, Mrs Clifford!

Mrs Clifford will be retiring this summer after 17 years working at St Augustine's.

She joined the school in 1997 as a teaching assistant and all three of her sons attended the school. She has worked with many year groups and hundreds of children over this time and has helped and encouraged them all in her unique way. All the children she has worked with have made great progress in their learning and confidence.

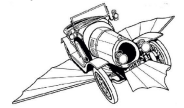

Mrs Clifford writes: "I have really enjoyed my time at St Augustine's and have made so many friends here. I shall miss all the children and staff, but I hope to come back and visit when I can."

Mrs Clifford and her husband, Tom, are intending to move to France in the next few months and to finally finish the house renovation they started over there. If you would like to contribute to a gift for Mrs Clifford, please send donations to the office.
