Spring 2 Week 6

Name

(Y6)

Holy Week

Maths

This week we have learnt some simple algebra. We have been solving missing number problems by using inverse operations.

e.g $4y + 6 = 30$ so to get $4y$ on its own you move the $+6$ the other side of the equals sign which becomes -6 . $30 - 6 = 24$, therefore $4y = 24$. As $4y$ means four lots of y , to find the value of y move the 4 lots the other side of the equals to become the invers (divide) and $24 \div 4 = 6$. Therefore $y = 6$. The children have amazed me with this!

Literacy and Topic

Literacy

This week we have been writing short stories based on two brothers who can position their fingertips anywhere on the globe and be transported there. The children have written about all sorts of fabulous destinations ranging from the Bermuda Triangle to tropical desert islands.

Spelling and Grammar

For our grammar this week we have been focussing on accuracy of punctuation when joining clauses, punctuating subordinate a relative clauses depending on their position in a sentence and accurately punctuating dialogue within a narrative.

HOMEWORK

Please note that any 'growing green' in the homework books needs to be looked at again. If the children need help with this, they can of course ask Mrs Smith or myself or come along to homework club for support.

Geometry, measures & stats	Select between 4 and 6 pages on topics that <u>you</u> need to practice. Do not choose topics that you are confident with but those where you struggle and need a bit of extra work.	
Reading	Pages 20-21, 26-29 Read: From Sketches to Cinema	Topic: Word Meaning, Summary & Language Questions Topic: Inference & Fact Retrieval Questions
Grammar	Select between 4 and 6 pages on topics that <u>you</u> need to practice. Do not choose topics that you are confident with but those where you struggle and need a bit of extra work.	

REMINDERS AND IMPORTANT INFORMATION...

Y6 led a beautiful Maundy Thursday Liturgy for the rest of the school on Thursday this week. Many members of staff commented on how reflective and respectful they were. Well done Y6!

Have a fabulous Easter break and a well deserved rest!

We look forward to seeing you again on Tuesday 23rd April.

My child's response to the tasks.
