

We had a wonderful time on the Life Bu yesterday- the children were brilliant and Liza, who worked with us, was very impressed by their questions and knowledge- well done year 3!

We have also set up our flower experiment as part of our topic, the children really enjoyed measuring stems, deciding how much dye to use and using measuring cylinders to decide their amount of water!

Maths

This week we have been practicing telling the time on a digital clock. Write the times below in a digital format.

5 o'clock
11 o'clock
Half past 6
1 o'clock
10 minutes past 8

half past 7
quarter past 4
5 minutes past 12
25 minutes past 10
half past 12

twenty minutes past six
quarter past five
twelve minutes past eight
five minutes to four
ten minutes to six

English and Reading

We are going to be looking at Riddles this week. Have a go at writing your own riddle. Remember- they always end with 'What am I?' and they give clues on each sentence.

Keep going with the reading challenge- many of you are very close to the big milestones!

RE

We had a wonderful question and answer session with Deacon Geoffrey this week all about miracles. The children were very keen to ask questions and had really thought about what they wanted to know.

Times Table Rockstars

Just a reminder that TTRS can be used from home. Stuck in below is your personal username and password...

Spellings

This week, the spelling rule is using the -sion ending.

Confusion

Explosion

Television

Division

Occasion
