Revising our multiplication and division facts for the 6, 7 and 9x tables. We also started to learn about factors of numbers	We have learnt about similes and how they describe something by comparing it to something else.	Deacon Geoffrey came in and talked to us about his vocation as a deacon. This led to us thinking about how God helps guide us in our lives to follow the Gospel Values.	We have learnt about how instruments make low and high sounds (pitch). We will be moving on to making pan pipes to see how we can change the pitch.

Homework tasks will be set on Friday and will be due in on the following Wednesday.
