Please also learn the other 5 spellings in the yellow book. You may have had these twice but we are just making sure they are firmly known!

Topic:

Create your own aeroplane!

I want you- over the next few weeks- to create your own aeroplane. Is it cargo or passenger? Is it one deck or more? What airline? Your own new airline? What special features does it have?

Can you draw it? Explain the features in a paragraph!

Times Tables:

Keep practicing those division facts!!!

English

We are still doing instructions!

Can you write instruction on how to make your favourite lunch! It might be a sandwich, wrap, roll, pasta or something else! Include:

- Title
- Introduction sentence (optional)
- Ingredients and Equipment
- Method
- Concluding sentence (optional)

Make sure you include bossy verbs and numbered steps in your method!

Maths:

We are learning time this week. Use the clocks on the back of the sheet to practice 'past' and/or 'to' times. You could get a grown up to draw them and you can write the time or you can do both and practice drawing the hands too.

Remember the language: minute hand, hour hand, past, to, half, quarter, analogue clock, clockwise, AM, PM.
