

TOPIC HOMEWORK.

Create a piece of work on the
subject of our next topic-
AUSTRALIA

You could:

- Create a model or fact file of an Australian animal.
- Pick an Australian city by the sea and compare it to Weymouth.
- Paint or draw an Australian landscape.
- Create a poster showing the similarities and differences of Australian and British schools.
- Research Aboriginal culture.

You can choose one of these or do a different idea of your own.

WE LOOK FORWARD TO
SEEING YOUR WORK!
