

# Parents in Partnership

## Year 2

Date set: 12.10.2018 Date due: 18.10.2018

This week we had a visit from the e-Safety team who have given us lots of TOP TIPS for keeping safe online. After the visit we used our knowledge to create a set of e-Safety instructions!

In maths we have begun looking at different strategies for subtraction including counting back on a number line and partitioning into tens and ones.

In science we watched clips from David Attenborough's "Africa - Kalahari" to identify animals that live in a desert habitat.

In topic we looked at the culture of the Maasai tribe and in small groups some of us took part in a Maasai jumping dance!

## Homework Tasks

Spellings: We will be revising all of the spelling rules taught this half-term.

Words to learn this week:

knee
gnash
write
circle
fudge

Your child's spelling  
result for "j" as "g":

Your child's  
2 x table result:

Your child has also been given a list of FIVE extra words to learn, taken from the common exception words for Year 1 and 2.

Maths: Practise the column subtraction method (no renaming) using the worksheet.

Reading: Can you find examples of time connectives in your reading (eg.first, next, later on)?

Topic: Please complete and bring in your safari in a shoebox by the end of this half term.

My child's response to the tasks.

Extreme Reading, Caught Writing
